

## School Town Fast Facts: Benefits for Students

School Town's award winning, blended learning environment meets students for education where they live most of the rest of their lives: online. **School Town:**

- **Engages students with the power of Web 2.0 for education.** School Town Digital Classrooms include Web 2.0 applications like chat, discussion boards, messaging, curricular links and School Town's unique media center. It offers 21<sup>st</sup> century learning for 21<sup>st</sup> century students, making school and learning relevant in a changing world.
- **Helps students get organized – and stay organized.** They log in to School Town to see their assignments – and understand at a glance which assignments they've completed, which are due, and which are overdue. School Town allows students to be self-directed learners accountable for their success.
- **Provides a safe environment for learning and collaboration.** School Town is an ideal platform for project-based learning. From home or school, students access any district resource, set their own learning goals and team up with fellow students and their teachers – in a safe environment free of extraneous or potentially harmful material.
